while there is no cause for alarm, a system of surveillance has been introduced to carefully monitor the situation.

States Health Authorities have been alerited to keep in mind signs and symptoms of the disease and report all much suspected cases.

State Health Education Bureaux have been requested to provide health education to Public, particularly to those who are attending the STD clinics, blood banks etc.

The I.C.M.R. has set up two diagnostic centres—one at Virology Research Institute, Pune and another at Christian Medical College, Vellore. Medical Colleges and Hospitals have been instructed to send sera at the above centres for testing any suspected case of AIDS.
